FIRST ANNOUNCEMENT

The 5^{th} Congress of the Turkic World Mathematical Society (TWMS) Issyk-Kul region, Kyrgyzstan, 5-7 July, 2014

The Turkic World Mathematical Society (TWMS) will hold its "5^{th} Congress of the Turkic World Mathematicians" in June 5-7, 2014 in Issyk-Kul region, 10 kilometers from Cholpon-Ata city, Kyrgyzstan. The aim of the Congress is to provide a forum, where scientists and mathematicians from academia and industry can meet to share ideas of latest research work in all branches of pure and applied mathematics. Established in 1999 TWMS held its first Congress in 1999 in Firat University, Elazig, Turkey, the second - in 2007 in Sakarya University, Adapazari, Turkey, the third - in 2009 in al-Faraby Kazakh National University, Almaty, Kazakhstan, the forth - in 2011 in Baku, Azerbaijan. Selected papers of the Congress will be published in:

- TWMS Journal of Pure and Applied Mathematics
- TWMS Journal of Applied and Engineering Mathematics
- Proceedings of the Institute of Applied Mathematics
- Journal of Kyrgyz National University
- MANAS Journal of Engineering

Detailed instructions for paper submission will be posted on the conference web site: http://vtwmc.manas.edu.kg.

Conference TOPICS include (but not limited to):

- Algebra and Mathematical Logic
- Geometry and Topology
- Analysis (with subsections)
- Differential and Integral Equations (with subsections)
- Probability Theory and Mathematical Statistics and Fuzzy Sets
- Computational - Informational Technologies and Mathematical Modeling
- Optimization and Control Theory
- History and Teaching of Mathematics
