Appl. Comput. Math., V.16, N.2, 2017, p.201

FIRST ANNOUNCEMENT

The 6th International Conference on Control and Optimization with Industrial Applications – COIA 2018

Baku, Azerbaijan July 11-13, 2018

The 6th International Conference on Control and Optimization with Industrial Applications – COIA-2018, will be held on 11-13 July, 2018 in Baku, Republic of Azerbaijan. The previous conferences were held in Baku, Azerbaijan (COIA-2005, COIA-2008), Ankara, Turkey (COIA-2011), Borovets, Bulgaria (COIA-2013) and Baku, Azerbaijan (COIA-2015). The organizing Committee of COIA-2018 is happy to host such a prestigious event in the beautiful city of Baku again.

The Conference is mainly supported by the Ministry of Transport, Communications and High Technologies of the Republic of Azerbaijan. The aim of the Conference is to provide a forum where the scientists and students from academic environment and universities may meet together with the specialists from industry to share ideas as wll as to discuss recent results on all aspects of control and optimization with a wide range of applications. Plenary talks in COIA-2018 will be presented by well-known scholars.
The selected and peer review papers will be published in the following journals:

- Applied and Computational Mathematics (SCI)
- TWMS Journal Pure and Applied Mathematics (ESCI)
- Proceedings of Institute of Applied Mathematics

The scholars from the field of optimization and control, representatives of industry are kindly invited to this Conference.

Important Dates:
Registration and Abstract submission deadline: 15.04.2018
Notification of acceptance deadline: 15.06.2018
Full paper submission deadline: 31.10.2018

Topics for discussions

- Control and Optimization
- Intelligent and Fuzzy Control
- Numerical Methods of Optimal Control
- Applications
- Mathematical Modelling
